## **Australian Society for Quantitative Political Science**

## Wellington, December 11-12 2017

## **Conference Location**

AM 102, 103, 104. The A & B Panel streams will be held in AM102 and AM104, morning and afternoon coffee/tea and lunch in room AM103.

Easiest access is from Kelburn Parade, where bus stops are located, through the Easterfield Building and Hub. Buses 22, 23, and 17 come and go from the city up and down the Terrace, past Parliament, and 22 and 23 go back along Lambton Quay. A cable car links Lambton Quay with the campus (third stop up before the top). A red 'snapper' card can be purchased in various places for bus and cable car travel.

Yellow broken lines indicate main walking routes through the buildings.
